

Jaleo Visit

On the 9th June 2009 we were lucky enough to welcome Jaleo Flamenco Dance Group to LGGS. The group performed traditional Flamenco at our school to a very full hall. We spent the day showing the team around school, we conversed in Spanish and also had the opportunity to prepare for and interview the team.

We helped teachers organise and serve traditional Spanish Paella, whilst Jaleo started getting ready for their performance. We made non-alcoholic Sangria and arranged plates of Tapas. The show was amazing and left most of the audience speechless!

As a thank you Peter Holloway (el Ingles) invited us to see their show in Southport. We enjoyed Jaleo's visit to school so much, that we leaped at the opportunity to see them perform once again.

Mr Peter Holloway said of the LGGS performance:

"I felt obliged to speak at the end of the show as we had been made so welcome"

Thank you to Mrs Tozer for organising this wonderful event and giving us all such a wonderful day and cross-curricular opportunity.
