

Lancaster Girls' Grammar School

30.9.09

Dear Parents,

The Primary Care Trust have confirmed that they will be continuing with the planned programme to vaccinate against HPV. They will be in school on Thursday and Friday to immunise girls at LGGS as planned.

If you decide not to allow your daughter to be immunised at this time would you please confirm this in writing to me by 9.00 am tomorrow (Thursday) morning.

Yours sincerely

Mrs Gill Jackson
Deputy Headteacher
