Dear Parent / Guardian

July 2011

I will shortly be placing an order for a textbook for the new GCSE Food Technology Specification for any parents who wish to purchase one for their daughter who will be starting the GCSE Food Technology Course in September. The AQA GCSE Design and Technology: Food Technology Student book produced by Nelson Thornes (ISBN 978-1-4085-0272) is an excellent book that covers the topics in detail and is recommended by AQA.

AQA GCSE Design and Technology: Food Technology

Student book

1. Edition
Level: Secondary GCSE (Yr 10-11)
Function(s): Student Book
176 Pages
Author(s): Jane Girt, Jenny Hotson, Garry Littlewood
Published 22/04/2009

This book includes some exemplar work from the coursework projects of two LGGS students and is an excellent resource to help students with their GCSE course and throughout their Controlled Assessment. The retail price is £14.99 but I can purchase it for £12.00.

If you would like to purchase a copy of this book, please complete the slip and send it into school with a cheque for £12 (payable to LGGS) or cash in a sealed envelope with your daughter's name and form on the front BY FRIDAY 15th JULY in order for me to order it ready for September.

Yours sincerely

J Harwood
