Dear Parents / Guardians

IT Information Evening – Thursday 2nd February 2012 at 7pm in Room 5

As part of Internet Safety Week we are holding an IT Information Evening for parents of pupils in years 7-11.

We would like to invite you into school to see our newly refurbished IT rooms, and also to share information with you about our VLE and remote access facilities. We are also aware that there are issues of internet safety, particularly the use of social networking sites and Facebook, which may be helpful for parents to be informed about. We would like to share some ideas and experiences with you, so that we can work together to keep LGGS students safe online.

If you would like more information please do not hesitate to contact Mrs Jackson or Mr Scott at school. We would be grateful if you could let us know if you plan to attend by emailing: pag@lggs.lancs.sch.uk

Yours sincerely

Mrs G Jackson
Deputy Headteacher

Mr M J Scott
Assistant Headteacher
